Dear Judge,

Allow me to say something about Xiaoliang Tony Wang.

I have known him for about two years. As I know, he is a very filial piety son. He gives massages to his parents every night; he cooks for the family; when his mom goes shopping, he always follows his mom to bring stuff, and doesn't buy anything for himself. Moreover, his parents are not good at English, so he bought English books and was very patient to teach them English. Even though, I'm living in Santa Cruz far away from his house, yet I know that he is a warm-hearted person. For example, he always invites friends to the parties, meals and movies; he always tries to help others even without asking. He helped me many times: Such as, helped me to buy two cars; helped me to move; taught me to cook and drive; told me traffic laws, and so on.

The truth is humans are not the God, so we would make some mistakes big or ~~small~~ small; more or less. I know that Tony did a big mistake, but I hope you still can give him a chance. I believe that he will be much better than he was. Thank you very much for your attention.

Sincerely,

Zhou Cai
